

## CAN YOU HELP?

As you know, many adults in our community struggle with reading. If you have not made a contribution to Literacy Action Center in the past year, we would appreciate your donation of any size. Your donation is used to educate and support our wonderful volunteer tutors who devote their time to helping adults improve their reading.

*Thanks for supporting the cause of literacy!*

I want to help solve the adult literacy problem.

Here is my tax-deductible contribution of:

\$15       \$25       \$50       \$100       Other \_\_\_\_\_

I am a **double** donor! I am also a volunteer with Literacy Action Center.
